To-day is not yesterday: we ourselves change; how can our Works and Thoughts, if they are always to be the fittest, continue always the same? Change, indeed is painful; yet ever needful: Memory has its force and worth, so has Hope.

Life holds for each of us individual challenges and new experiences which must be met and evaluated. So has it been for the past few years. Each one of us has experienced something that was unique, be it grand or small, in our high school days that no one else can remember.

Many within this frame-work of learning have experienced failure; others have triumphed. Through these experiences we have formed new ideals and pinpointed different and enticing goals.

We are no longer adolescents but on the brink of adulthood facing the doors of the future. It is a time for us to look outward and establish ourselves in our society.

The anxieties of preparing for finals, the nervous anticipation of waiting for report cards and impatiently waiting for 1:50 bell will no longer be part of our daily routine. The ups and downs of daily living at Hathaway Boulevard will always be locked in our minds. Ah, but who will ever forget?

OUR AFS STUDENT

Dear Friends,

When I first learned that my dream to go to the "Great America" was no longer a dream, I had mixed emotions. I was very happy for I had finally achieved a lifetime dream, but at the same time all my plans for the next year were falling apart.

A year seemed a long time to me, then, and I was a little scared, because I didn't know anything about my future family and community until the week before I left. Now it seems to me that this year has just begun and it's already almost gone.

New Bedford High School doesn't look so huge and scary any more, now that at every step I meet a friendly smile. I feel really at home.

I think you all helped me to find my real self through the different experiences that meeting each of you offered me.

The only thing I can say is thank you with all my heart, thank you for giving me the most fantastic year of my life so far, a year that I will never forget.

Arrivederci

Con affetto vostra

Our clerks are constantly occupied with innumerable tasks. They are invaluable, not only in answering telephone calls, typing the absentee bulletins, and keeping student records up-to-date, but also in issuing tardy slips!

MR. CLIFTON M. SOUTHWORTH

Clifton M. Southworth began his services to the New Bedford School System back on June 10, 1938. Mr. Southworth graduated from Fitchburg College over forty years ago and he went on to obtain his B.S. and M.A. from Boston University. His first teaching assignment was at Roosevelt Junior High School. In 1941 he moved on to New Bedford High School. He entered the United States Navy soon after the attack on Pearl Harbor and was on active duty in the Navy for fourteen years. After his return he was appointed Assistant Principal at New Bedford High School, a position he held from 1956 to 1972.

Although he was the object of much teasing about his nautical leanings, Mr. Southworth truly is the recipient of much affection and respect from both faculty and students. One could always count on him for a sympathetic ear and an understanding heart. Always the captain on his own quarterdeck, he was nevertheless one of us when rooting for the teams at all our games, and he never missed a school social function. We are sure that Mr. Southworth will always be with us in spirit and we shall in turn remember him with warmth and gratitude.

MR. ROBERT LEO McCARTHY

Robert Leo McCarthy began service as the Tan Housemaster on January 29, 1973. Mr. McCarthy is a graduate of Boston University with a bachelor's degree in Science and Business Administration. He also has a master's degree from Bridgewater State College and has studied at New York University and the University of Massachusetts. Mr. McCarthy was first associated with New Bedford High School as the founder of the Distributive Education program. He left to become assistant principal of Hastings Junior High School in Fairhaven and was appointed a housemaster at New Bedford High on December 12, 1972.

DURFEE RALLY

SPORTS

Athletics allow a person to experience some of the greatest excitements in winning, while suffering the heartbreaking agonies of defeat. 'Tis better to have competed and lost than never to have competed at all.

John Pacheco
Baseball Coach, NBH

CHEERLEADERS

TOP: **Diane Costa.** SECOND ROW — (L TO R): **Rose Opodza, Meredith Corson.** THIRD ROW — (L TO R): **Diane Fortes, Debbie Mello, Geraldine Fortes.** FOURTH ROW — (L TO R): **Rendi Halberstadt, Kris Ainsley, Debbie Mello, Cindy Santos.** FIFTH ROW — (L TO R): **Ginger White, Carol Kennedy.**

If you've ever gone to a rally or to any sort of high school game you have probably felt the electricity that the cheerleaders generate with every move. Two of the cheerleaders attended a cheerleaders' camp this past summer and brought back many new ideas. These ideas have mellowed into the cheers and routines we, the student body, enjoy seeing and hearing.

The pride these girls have taken in their school has been an example for the rest of us. No matter what the conditions (rain, sleet, snow or dead of night) they're out there cheering their teams on.

There are four seniors on the squad: Head Cheerleader Diane Fortes, Rendi Halberstadt, Debbie Mello, and Ginger White. They have jumped their last leap and yelled their last cheer for NBH.

MAJORETTES

FRONT ROW — (L TO R): **Sue Luce, Doreen Williams, Donna Andrade, Mary Ellen Malone, Sharon Lourenco.**
BACK ROW — (L TO R): **Baunie Jones, Debbie Mullin, Sue Mullin, Sandy Fernandes, Judy Pacheco, Pat Petty, Wendy Warrington.**

When you go to a football game and see a silver object floating through the air, you know it must have come from the hands of one of the NBH majorettes. These girls have practiced for many long hours and the product of their work is shown in the beauty and precision of their routines. They have become an integral part of the rallies and games. Their precision is like a Swiss watch which depends on everyone singularly to perform as a unit.

The batons that will be retired this year belong to Head Majorette Sandra Fernandes and Donna Andrade.

CROSS-COUNTRY

FIRST ROW — (L TO R) **Charles Gomes, Tony Monteiro, Jan Pina, Rod Rodrigues, and Robert Simmons. SECOND ROW —** (L TO R) **Ed Mulvey, David Chadwick, John DePina, Robert Britto, Ed McAloon, Len Gifford, Peter Gonzalez, Armond Enos, and Coach Ralph Perry.**

This year has been one of rebuilding for the NBHS cross-country team. Due to 1972's graduation we lost some good runners, but with Coach Ralph Perry's experience and discipline, this year's men should be able to compete with any team in the state.

The seniors who will be running their last and best season for NBH are: Peter Gonzalez, Armond Enos, Len Gifford, David Chadwick, John DePina, Robert Britto, Ed McAloon and Ed Mulvey.

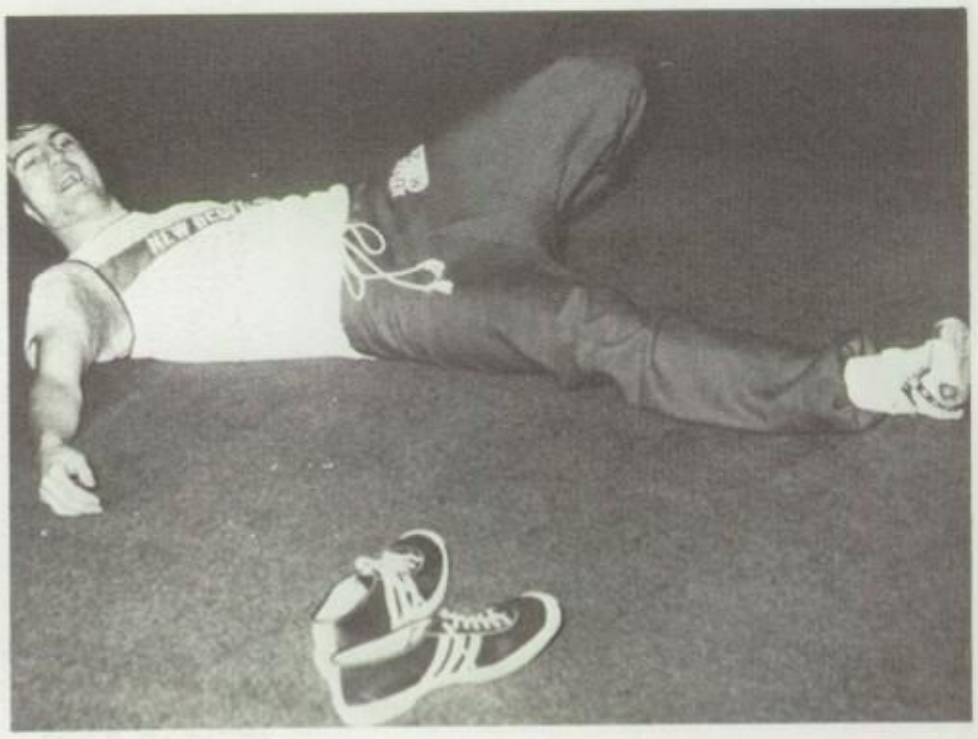
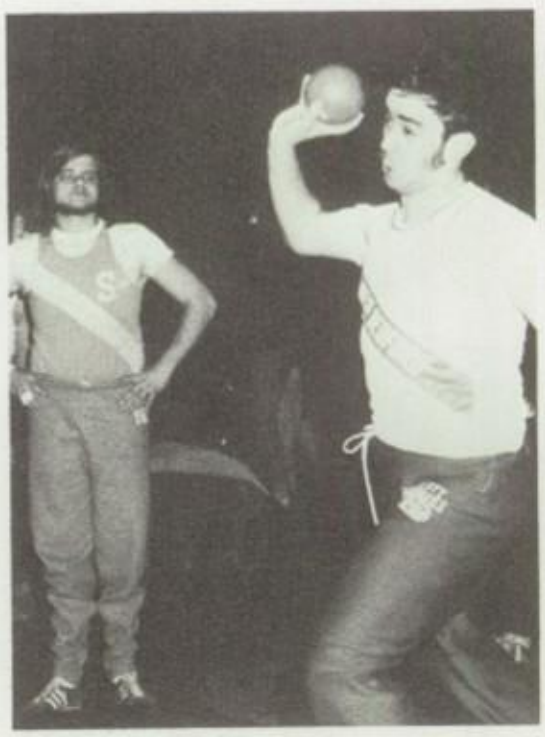
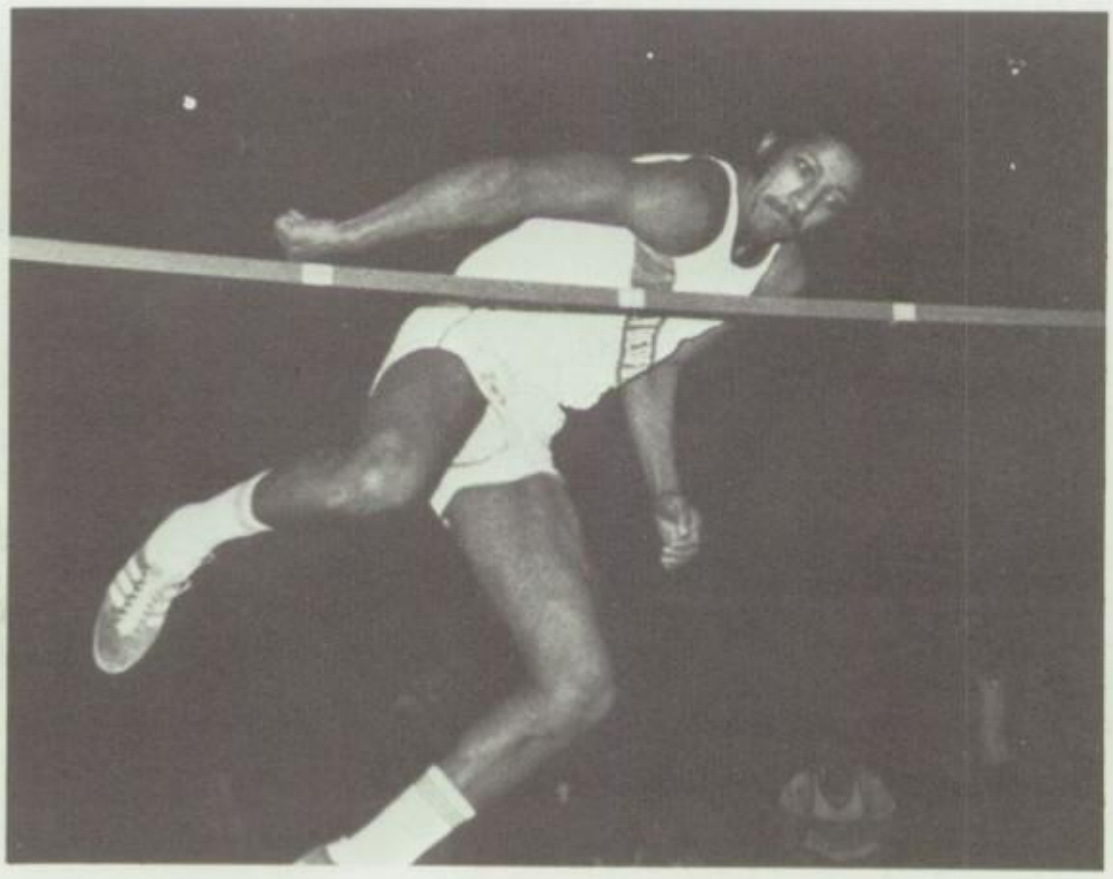
WINTER TRACK

FIRST ROW — (L TO R): **Paul Nichols, Paul Jellison, Ed McAloon, John DePina, Mike Gomes, Peter Gonzalez, Bob Galipeau, Ric Levin, Len Gifford, Bob Correia, Bob Britto.** SECOND ROW — (L TO R): **Coach Dick Ponte, Dennis Rock, William Barnes, Jan Pina, Tony Monteiro, Mark Nooth, Charles Gomes.** THIRD ROW — (L TO R): **Joe Prata, Mike Lobo, Bob Simmons, John Barradas, Antonio Pinho.** FOURTH ROW — (L TO R): **Peter Bouchard, Brian Thomasset, Joe Francis.**

The NBHS winter track season has been short and sweet for the 1973 squad. Track is a disciplined sport requiring a dedicated group of athletes who are willing to strive for team success and self-improvement. The team doesn't win the meet unless each runner is willing to compete wholeheartedly. The trackmen's record was 7-1, which is evidence enough to praise both the team and Coaches Ponte and Perry. The seniors on the squad are Bob Britto, Bob Correia, John DePina, Robert Galipeau, Len Gifford, Mike Gomes, Peter Gonzalez, Paul Jellison, Ric Levin, Ed McAloon, Ed Mulvey, Paul Nichols and Chris Ramos.







SOCCER

CENTER: **Randy Rossi (73).** FIRST ROW — (L TO R): **Jack Benedito, James Miller (73), Gabe DaSilva (73), Bruce Botelho (73), John Costa, Mark Kagan (73), Gary Soares (73), Ray Bolger, Tony Cruz, Porfirio Caneira.** SECOND ROW — (L TO R): **Charlie Caban (73), George Coelho, Mike Lobo, Jean Spencer (73), Jorge Gonsalves, Jorge Amaral (73), Ed Mello (73), Goerge DeSouza (73), Paul Nichols (73), Joe Fagundes (73), Charles Xavier, John Barcelos (73), Joe Prata, Coach Bob Parker.**

This year frustration came hand in hand with the will to win. Coach Bob Parker's team had to overcome their inexperience with hard work and long hours of practice. The boys wanted and did go all out in their defense of the New England Championship.

Coach Parker struggled to get enough games, so that his team would have the opportunity to qualify for tournament play. The soccer team did qualify by winning their last regular season game. In the Eastern Mass. Tournament, the boys made their way to the finals, where they lost a heartbreaking game to Needham by the score of 1-0.

Two seniors were the leaders of the 1973 squad. Gabe DaSilva gave the team inspiration while Bruce Botelho lead all scorers. However, they weren't the only two stars on the team; each player was a star in his own right. This is one of the many tributes which can be given to the 1973 NBH soccer team.

FOOTBALL

Varsity Team, FRONT ROW — (L TO R): **Andrew Greene, Mark Reedy, Joe Bettencourt, Edwin Mello, Paul Jellison, Capt. Dave Reynolds, Robert Galipeau, Donn Cordeira, Wayne Thomas, Leonard Aguiar, Derek Rose, Chris Ramos.** BACK ROW — (L TO R): **Mark Sullivan, Donald Dubreuil, Daniel Correia, Mike Gomes, Bruce McMann, Ronald Huston, Richard O'Berry, Dave Cordeira, Mark Nooth, John Inacio, Thomas Goodine, Fred Izyk, Mark Pires.**

Football is much more than a contact sport or just a physical game. A player has to be at the peak of his mental and physical capabilities. He also has to be willing to sacrifice personal interest to stay in top notch condition. If this is the sign of a good football player then NBH was blessed with quite a team.

This year the football team paid a tough price for recognition. Captain Dave Reynolds was lost for the season after the third game with a knee injury. Although there were many things which could have set the squad back, the boys kept their momentum going out of sheer will power. They had to show those who doubted that they could win football games against teams who are in the same class as themselves. They lost the traditional Turkey Day game to Durfee and ended the year with the respectable record of five wins, three losses, and no ties.

Senior Group, FRONT ROW — (L TO R): **Edwin Mello, Leonard Aguiar, Andrew Greene, Paul Jellison, Donn Cordeira, Robert Galipeau, Wayne Thomas.** BACK ROW — (L TO R): **Joe Bettencourt, Mark Reedy, Michael Gomes, Dave Reynolds, Chris Ramos, Derek Rose.**

Junior Varsity Team, FRONT ROW — (L TO R): **Ernest Ferchette, Arthur Bernier, Mark Nanopoulos, M. Leite, Gilbert Carlisle, Douglas Nunes, Mike Santos, D. Correia, Bill Correia, Manager Carl Mendes.** BACK ROW — (L TO R): **Coach Butch Fermino, Nathan Barros, Eric Arena, Peter Rose, Michael Nelson, Michael Lowe, Steve Soares, Peter Bouchard, John Bonneau, Trainer Michael Sullivan.**

The man featured in these pictures has been a guiding beacon to many fine young men, past and present, who have dedicated themselves to the spartan-type existence of a football player. He is the retiring head football coach, Joseph Bettencourt. The man's leadership qualities will sorely be missed in the years to come. Through his hard work, many of his ex-players have been able to further their education through scholarships and grants. Many of these players would not have been able to attend the college of their choice without his help.

A further tribute to this man is his record. During his eight years, he has amassed a record of 45 victories, 21 defeats and two ties. This is truly the mark of a fine leader. We are very pleased that he will remain on as athletic director. All we can say, Joseph Bettencourt, is, "Don't wander too far, in case we need you."

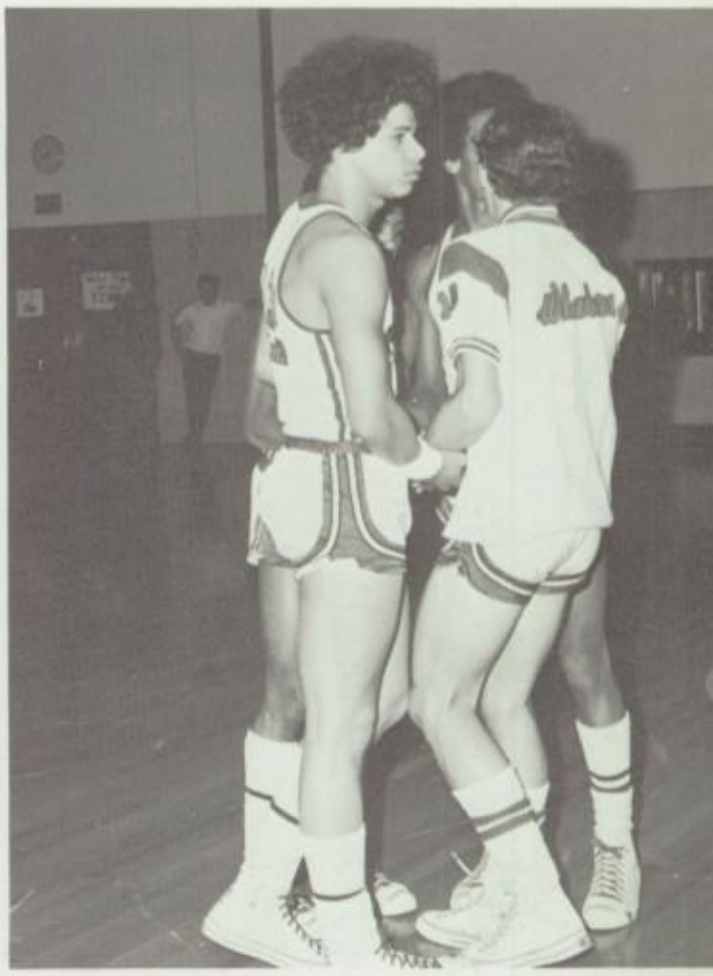
BASKETBALL

FIRST ROW — (L TO R): **David Sylvia, Armond Enos, Ray Houtman, Joseph Antone and David Grimes.** SECOND ROW — (L TO R); **Greg Parker, Mike Bobrowiecki, David Pontes, Steven Ramos, Dan Rosa, Greg Lima and Wayne Thomas.**



The two leaders of the basketball squad were the co-captains, Steve Ramos and Armond Enos. Ramos was the only returner from last year's starting five and proved to be the backbone of the team. Enos was the backcourt general. He brought the ball down court, set up plays and participated in much of the scoring. The class of 1973 is represented by Armond Enos, David Grimes, Ray Houtman, David Pontes and Steve Ramos.

Coach Sal Lombardo considered this year's basketball schedule to be one of the toughest NBH has had to face in many years. This difficulty is shown by the team's record. It isn't a winning one. A record, however, doesn't really tell the true story. It doesn't tell you about the heartache when you lose by a close score or when you go all out and end up losing in front of a home crowd. Excuses for a losing season are a loser's way out. That's why you won't see any listed here. We should be proud of these guys; they tried their hardest.

DEFENSEMEN — L. Roy, Dave Cordeira, Peter Mello, Mike Sullivan, Mark Sullivan.

This year our school entered into a new sports field, ice hockey. The boys put on their paddings, uniforms and helmets and took to the ice at the Moby Dick Arena. Hockey may seem an easy sport to the spectator but it's much more difficult than it appears to be. It involves the timing and precision of a figure skater, the stamina and strength of a football player and most important, the ability to control and get the defenseless little puck into the opposing team's net. Being checked along the boards, being tripped up by the enemy and being slashed with a hockey stick are just some of the side benefits for the young hockey players.

The NBH hockey team is a good, young squad which is dominated by underclassmen. These boys get up about two hours earlier than most students on two days of the week to get in a little ice time before school. That's dedication. They normally play on Mondays along with seven other teams in the Bristol County League. At the time of this writing, the team is 5-2, 4 points behind division-leading Somerset (on the basis, 2 points for a win and 1 point for a tie). For its first year in history as a NBHS hockey team, these guys and Coaches McBain and Roy are to be congratulated on a commendable showing.

SENIORS — Ed Mello, Mike Gonneville, Donn Cordeira (missing — Chris Trundy).

We at Southeastern Bank & Trust welcome the new New Bedford High School Complex and the educational and recreational potential it brings to our city.

We believe it is a giant step forward.

THE TIMES · THE TIMES · THE TIMES ·

REMEMBER??? (at 455 County St.)

Swarming to the auditorium after lunch.
Bus tickets in the broom closet.
The dim dark Old Study Hall with a built-in echo.
The morning hangout on the side of the auditorium.
The greenhouse on the roof with "Mary J" plants.
The Language Lab that barely and rarely worked.
Auditorium studies: "Keep your knees off the seat backs!"
The false fire alarms in Junior year.
"One way up." "One way down."
(. . . scratch, scratch) "Excuse the interruption . . . "
The sardine-packed girls' rooms after lunch.
The shoulder-slamming passing periods.
"ISKRA"
End of Junior year, no crossing through the auditorium.
The stuffed-up bubblers and locked boys' and girls' rooms.
Trying to find a parking space within six blocks.
KEEP OFF THE GRASS DURING FIRE DRILLS.
The day the lockers fell like dominoes in the girls' locker room.
Rooms 104, 305, and 309: Buddy-Buddy system on tests, no elbow room, great for cheating.
Stampeding downtown after school.
Trying to squeeze into Ray's or Steve's.
Finding an unoccupied and unvandalized telephone.
The packed track at basketball games.
Doing morning laps on second floor.
How easy it was to find a teacher after school!
Being in the middle of a gym class when "it is necessary to evacuate the building. Go to your lockers and obtain your coats. Then . . . "
That rotten egg smell drifting down from the chem lab.
Clogged up chem sinks . . . and no Drano!
Packing and stacking cartons to move to the new school.
The overheated classrooms and the freezing cold classrooms.
Stolen padlocks.
Graffiti: engraving momentous messages to your friends and enemies on study hall desks.
No one going to the Junior Prom.
The little red handbooks.
Lockers with no shelves, hooks, or doors.
SSSSS . . .
No two people of the opposite sex sharing a locker.
Rallies in an overflowing auditorium.
The endless bomb scares . . . and Hari-Krishnas during one of them.
Yellow slips and blue slips and pink slips — and those dreaded white slips from the office.
The ring salesman in ROTC Room #3 . . . and no one knowing where it was.
GAMS practicing their drill every morning from 7:00 to 7:30.
The window shades that never worked.
The cafeteria: broken stools, scarred brown tables, cutting into lunch lines, doubles on the mashed potatoes, and STEWED PRUNES?????
Stink bombs in the auditorium after lunch shifts.
SENIOR stickers.
The last day of Junior year, with no lights and a flooded cafeteria, getting out early.
ROTC boys guarding the fire alarm boxes.
Assistant Principals becoming Vice-Principals . . . hmmmmm!
"That lousy projector is broken again . . . somebody find Mr. Tavares!"
Smoking in the bushes under Mr. Goldrick's window.
Being physically in the classroom and mentally at Horseneck on a warm spring day.
The empty echoing corridors after 11:00 a.m. on Class Day.

. . . AND NOW! (on 230 Hathaway Blvd.)

"What house are you in?"
Our first week, going into class 15 minutes late: "I was lost."
Where is the front door in this place?
Have you applied anywhere yet?
The 30-minute lunch periods.
First time you heard music during passing periods and lunch.
The bookstore that never really was.
A buzzer instead of a bell.
You mean there really is an elevator?
A,B,C,D,E,F,G,X,Y,Z blocks.
Periods A,B,C, etc. and Days 1-6 in a 5-day week. "What day is this?"
Four cafeterias instead of one.
Clocks that hum . . . but never correct the time.
"Reefah" in gentlemen's and ladies' rooms.
Drapes instead of shades.
Having a student parking lot, and parking in the teachers' lot instead.
Parking stickers.
Resource centers.
A beautiful library (oops . . . READING ROOM) which you weren't allowed to enter until Feb. 1st.
Attending a school for a year and not seeing it all.
Overheated rooms and freezing cold rooms.
Air conditioning that worked all winter.
A swimming pool with leaks they couldn't find.
Guitar lab!
Guys in cooking class.
Co-ed swim classes.
Electric typewriters.
Built-in padlocks that always got jammed.
Six gym teachers instead of two.
Housemasters and Headmaster instead of Vice-Principals and a Principal.
North, East, West to Green, Gold, Tan, Blue.
All the kids walking around with wet hair.
The book shelves outside the cafeteria that were never used.
Two-way mirrors in the Blue House Child Lab.
Different color attendance sheets.
Courtyards instead of a courthouse.
The psychedelic lighting in the auditorium.
The Planetarium. "You know one girl threw up when she saw all those stars moving."
Child development with real kids in it, after 4 months of looking at each other!
Woodworking, auto mechanics, basic crochet, marksmanship . . .
All the girls practicing fencing lunges.
Bathing suits . . . which is the front?
Two-way stairways.
Buying and wearing POW bracelets.
The cheerleaders' spirit.
Ring-a-ding, tang-tang-tang, sha-la-lala.
Whatcha see is whatcha get, Whalers don't take no shhhh!
No body messes with the Big Red Machine.
Wall-to-wall carpeting.
Concrete block walls. "I never thought I'd be going to school in a garage!"
"I'm in the Blue House, but I haven't got one class there."
"That's all right. I'm the only one in school who has all her classes in my own house, and I never see ANYBODY!"
Being physically in the classroom and mentally at Horseneck on a warm spring day.
The empty echoing corridors after 11:00 a.m. on Class Day.

If

****

If you can dream — and not make dreams your master;
If you can think — and not make thought your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;

****

If you can talk with crowds and keep your virtue,
Or walk with kings — nor lose the common touch,
If neither foes not loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the earth and everything that's in it,
And — which is more — you'll be a man, my son!

Boys, the class of 1973 salute and congratulate you.

S*U*C*C*E*S*S: that's the way you spell NBH baseball. Coach John Pacheco's sluggers demonstrated the capability and drive needed to carry them to victory and post-season play. Although they were spiked by a close score in the state tournament's quarter-finals, our boys played stupendous ball all year long.
